**SDU Highlights**

With the lifting of the business license moratorium we can expect an increase in the amount of vendors walking our streets. We will monitor the situation on the streets and assure compliance with existing permit regulations.

The holiday season is upon us and we expect to see an increase in consumer activity. Businesses will be more active and there will be more distractions. Don't let your guard down and keep watch for suspects trying to push false currency, fraudulent checks, and shoplifters. Citywide there is an increase in burglaries so it is important to keep your business secure. Install and use alarms, cameras, metal gates, lighting, keep bushes or shrubs trimmed, and keep your windows clear of obstructions. Please report all crimes that occur even the "little ones."

Happy Holidays!
